

# TABLE OF CONTENTS

Effective Date: October 20, 2021

Revision: June 8, 2021

Supersedes: January 30, 2019

## VOLUME 1 - CAMPUS EMERGENCY RESPONSE PLAN (CERP)

- Purpose ..... 1.1
- Four Phases of Emergency Management ..... 1.1
- National Incident Management System ..... 1.2
- Emergency Response Priorities..... 1.2
- University Leadership..... 1.3
  - Succession – Line of Authority ..... 1.3
  - Travel of Executive Management Team ..... 1.3
  - Emergency Procurements Authorized Personnel..... 1.4
  - Temporary Suspension of Normal Vetting Process ..... 1.4
- CIRT Executive Team (CET) . .... 1.4
  - Duties and Responsibilities..... 1.5
- Incident Command (IC)..... 1.7
  - Incident Commander Responsibilities ..... 1.7
  - Check list for the Incident Commander ..... 1.7
  - Seven Critical Tasks..... 1.8
    - o Establishing Control and Communications ..... 1.8
    - o Establish a Hot Zone ..... 1.8
    - o Command Post..... 1.8
    - o Staging Area..... 1.8
  - Request for UACIRT Resources..... 1.9
- Classification of Emergencies ..... 1.9
  - Level 1 ..... 1.9
  - Level 2 ..... 1.9
  - Level 3 ..... 1.10
- Response to Level 1 and 2 ..... 1.10
- Response to Level 3 ..... 1.11
- Emergency Operations Center (UAEOC) ..... 1.11
  - Activation ..... 1.11
  - UAEOC Location ..... 1.11

Emergency Notification and Communications to the Campus Community .....	1.12
- Purpose of Communications .....	1.12
- UAlert Emergency Text Message Notification .....	1.12
- UAlert Emergency Notification Protocol .....	1.12
o Main Campus .....	1.12
o UA South .....	1.13
o UA Phoenix Bio Medical Campus .....	1.13
- Incidents for Activation .....	1.14
- Other UAlert Uses .....	1.15
- Authorized Personnel for Sending UAlert Messages .....	1.16
- Distribution of UAlert Message and Email .....	1.17
- Testing of UAlert .....	1.17
- UACIRT Involvement/Responsibilities .....	1.17
o Vice President of Communications .....	1.17
o Credentialing Procedures .....	1.19
o Release of Information .....	1.19
o Other Notification Methods .....	1.19
- Emergency Phone Bank .....	1.20
- Establishing a Joint Information Center\System .....	1.21
o Joint Information Center (JIC) .....	1.21
o Joint Information System (JIS) .....	1.21
UA Critical Incident Response Team (UACIRT) .....	1.21
- UACIRT Organization .....	1.22
- UACIRT Activation .....	1.22
- UACIRT Leadership and Succession .....	1.22
- UACIRT Members .....	1.22
- UACIRT Priorities .....	1.23
- UACIRT Financial Policy .....	1.23
- UACIRT Training and CERP Exercise .....	1.24
Continuity of Operations Plans (COOP) .....	1.24
- Conditions for COOP Activation .....	1.25
- Departmental/College COOP .....	1.25
University Employee Duties and Responsibilities in Emergency Situations .....	1.25
- UA Department Roles .....	1.26
- Essential Personnel .....	1.27
- Building Managers .....	1.28
Outside Resources .....	1.29
- Pima County Office of Emergency Management .....	1.29
- Other Governmental Agencies .....	1.29
FEMA Five-Step Problem Solving Model .....	1.30
Update and Review of Plans .....	1.33

## VOLUME 2 - BUSINESS CONTINUITY DISASTER RECOVERY & DAMAGE ASSESSMENT

Purpose .....	2.1
Assumptions.....	2.1
Mission .....	2.1
Scope .....	2.2
Risks to the University.....	2.2
Protection of Public and Private Property and Environment.....	2.3
Termination of Emergency Phase.....	2.4
Activation Authority of the Disaster Plan.....	2.5
Disaster Recovery Incident Command .....	2.5
Continuity of Operations Plan (COOP) .....	2.5
- Activation of Public Health COOP.....	2.6
- Preparation of COOPs.....	2.6
Essential Personnel – Definition .....	2.7
Resumption of Normal Operations.....	2.7
Recovery Phase.....	2.8
Damage Assessment Team (DAT).....	2.9
- Cost Recovery Team.....	2.9
- Outside Experts.....	2.10
- Damage Documentation .....	2.10
- Photography and Videography.....	2.10
- Diagrams .....	2.10
Damage Assessment Task Force.....	2.10
- UA Subject Matter Experts.....	2.11
- Written Reports and Receipts .....	2.11
Coordination and Declaration of a State of Emergency.....	2.12
- Tucson/City Government .....	2.12
- Pima County Government.....	2.13
o Pima County Emergency Operations Center.....	2.13
o Proclamation of a Local Emergency .....	2.13
- Arizona State Government.....	2.14
o Arizona National Guard Request .....	2.15
- Federal Government (Major Disaster Process) .....	2.15
o Disaster and Disaster Aid Process - FEMA .....	2.16
o Individual / Public Assistance.....	2.16
o Assistance Process.....	2.17
o On Line Resources and Publications.....	2.17

## VOLUME 3 NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS) & INCIDENT COMMAND SYSTEM (ICS)

Background .....	3.1
NIMS Concepts and Principles .....	3.1
- Command and Management.....	3.2
- Preparedness .....	3.2
- Resource Management.....	3.3
- Communications and Information Management .....	3.3
Incident Command .....	3.3
- ICS Purpose .....	3.3
- Modular Organization .....	3.4
- Management by Objectives.....	3.4
- Overall Priorities .....	3.4
Incident Action Plans (IAP) .....	3.5
Chain of Command .....	3.5
Unity of Command .....	3.6
Unified Command .....	3.6
Span of Control .....	3.6
Predestinated Facilities .....	3.6
- Incident Command Post (ICP) or Command Post (CP).....	3.6
- Base .....	3.7
- Staging Area.....	3.7
- Camp.....	3.7
Resources: Tactical and Support.....	3.7
Transfer of Command .....	3.7
Accountability .....	3.7
IC Personnel and Functions.....	3.8
- Incident Commander .....	3.8
o Role/Responsibilities.....	3.8
- Deputy Incident Commander .....	3.9
- Command Staff .....	3.9
o Public Information Officer .....	3.9
o Safety Officer.....	3.9
o Liaison Officer .....	3.10
- General Staff .....	3.10
o Operations Section.....	3.10
o Planning Section .....	3.10

o Logistics Section .....	3.10
o Finance/Administration Function .....	3.10
o Intelligence Section (Optional) .....	3.10
Use of Position Titles .....	3.10
<b>Operations Section .....</b>	<b>3.11</b>
- Operations Section Chief Responsibilities .....	3.11
- Divisions, Groups, and Branches .....	3.12
- Task Force .....	3.13
- Strike Teams .....	3.13
- Single Resource .....	3.13
<b>Planning Section .....</b>	<b>3.14</b>
- Planning Section Chief Responsibilities .....	3.14
- Resource Unit .....	3.14
- Situation Unit .....	3.14
- Documentation Unit .....	3.14
- Demobilization Unit .....	3.15
- Technical Specialists .....	3.15
<b>Logistics Section .....</b>	<b>3.15</b>
- Logistics Chief Responsibilities .....	3.15
- Communications Unit .....	3.15
- Medical Unit .....	3.15
- Food Unit .....	3.16
- Supply Unit .....	3.16
- Facilities Unit .....	3.16
- Ground Support Unit .....	3.16
<b>Finance/Administration Section .....</b>	<b>3.16</b>
- Finance/Admin Section Chief Responsibilities .....	3.16
- Procurement Unit .....	3.17
- Compensation/Claims Unit .....	3.17
- Cost Unit .....	3.17
<b>Information and Intelligence Section or Function .....</b>	<b>3.17</b>
Area Command .....	3.17
Multiagency Coordination Systems (MAC) .....	3.18
Emergency Operations Center (EOC) .....	3.18
Public Information Systems .....	3.18
- Joint Information Center (JIC) .....	3.19
- Joint Information System (JIS) .....	3.19
ICS Forms .....	3.20

**FUNCTIONAL ANNEXES**

FA1 - Law Enforcement (UAPD)..... FA1.1  
FA2 - Risk Management and Safety ..... FA2.1  
FA3 - Facilities Management ..... FA3.1  
FA4 - Parking and Transportation..... FA4.1  
FA5 - Student Union..... FA5.1  
FA6 - Utilities..... FA6.1  
FA7 - Open..... FA7.1  
FA8 - University Emergency Operations Center (UEOC)..... FA8.1  
FA9 - Medical Services ..... FA9.1  
FA10 - Wellness and Faith Based Support..... FA10.1  
FA11 - Financial Services Office (FSO)..... FA11.1  
FA12 - Human Resources..... FA12.1  
FA13 - University Information Technology Services (UITS)/ Information Warehouse..... FA13.1  
FA14 - Procurement and Contracting Services (PACS) ..... FA14.1  
FA15 - Residence Life..... FA15.1

**HAZARD SPECIFIC ANNEXES**

HS1 - Pandemic Planning Matrix ..... HS1.1  
HS2 - Flood Control for Facilities ..... HS2.1  
HS3 - Armed Individuals/Active Shooter ..... HS3.1  
HS4 - Biological Spills ..... HS4.1  
HS5 - Bomb Threats ..... HS5.1  
HS6 - Building Evacuation and Evacuation of Disabled ..... HS6.1  
HS7 - Chemical Spills and Chemical Exposure ..... HS7.1  
HS8 - Fire..... HS8.1  
HS9 - Radioactive Material Spills and Incidents ..... HS9.1  
HS10 - Severe Weather ..... HS10.1

**DEFINITIONS.....D1.0**
